Your Journey Begins Here

A place where children learn, grow and flourish. As the headteacher of Meadowside Primary School, I am delighted to welcome you to our prospectus. Here, you will discover how we celebrate diversity, inclusion and high-quality education for all of our children.

At Meadowside, we cater for children from 2 to 11 years old, with a range of abilities and needs. We have a strong ethos of respect, kindness and cooperation, and we strive to create a positive and inspiring learning environment for all our pupils. We have a team of talented and dedicated staff, who are passionate about delivering a curriculum that is stimulating, challenging, and inclusive.

One of the distinctive features of our school is our focus on language development. We recognise that language is the key to unlocking children's potential, and we provide a rich and varied language curriculum that supports children's communication, literacy and thinking skills. We also celebrate the diversity of languages and cultures that

our children bring to our school, and we encourage them to share and learn from each other. We believe that strong partnerships between home and school are essential to the success of our children, and we welcome and encourage parental involvement in all aspects of school life. We have a committed and effective governing body, who work together to ensure the best outcomes for our school community.

I hope that this prospectus gives you a flavour of what our school has to offer, and that you will visit us to see for yourself the wonderful work that is happening here. We look forward to meeting you and your child, and to welcoming you to our school family.

“The friendly welcoming ethos of Meadowside is tangible the moment you walk onto the grounds.”
